PROFESSIONAL EXPERIENCE

Global Senior Editor & Quality Reviewer | Micro1 Jan 2026 – Presently qualified to audit and rank automated text for factual accuracy and logical reasoning. I apply a veteran journalist's instinct to identify misinformation and ensure AI outputs are grounded in verifiable truth.

AI Content Auditor & Linguistic Specialist | Merit1 Jan 2026 – Presently evaluating large language models for tonal authenticity and linguistic precision. I provide rigorous feedback to eliminate robotic phrasing and ensure content meets the sophisticated editorial standards of a British audience.

Freelance Journalist & Published Author | 2003 – Present

- **Columns & Features:** Reporting, research, and writing for long-form national journalism. Writing regular columns, features, and reviews for national publications including **The Guardian G2** (my own page), **The Sunday Telegraph** (my own column), **The Spectator**, **The Observer**, and **Artnet**.
- **Deputy Editor (People Page) | The Times: Editorial Leadership:** Directed the tone and content of high-profile stories and columns for a national daily audience.
Content Quality: Oversaw the final check of copy under intense deadline pressure to ensure accuracy and legal safety.
- **Published Author:** Managing writing projects from initial research through to final publication. This includes commissioning and editing 96 essays for my book, *A Hedonist's Guide to the Art World*, as well as editorial oversight for my own broader bibliography.
- **Content Review:** Providing freelance editorial expertise and proofreading for various digital, individuals, and print titles.
